Summary

I am a passionate Front-End Web Developer specializing in HTML, CSS, Tailwind CSS, JavaScript, React.js, and Redux. I can convert Figma designs into responsive, pixel-perfect web templates and bring them to life using React.js. Experienced with jQuery plugins and focused on modern front-end development practices.

Featured Project

Acquire Your Necessary Goods From Orebi

React js Tailwind Css Redux Toolkit Motion
React Router Dom React Slick

It's an E-commerce Web Application with product listing, add to cart, remove from cart, product search, responsive design, dynamic UI with React.js, state management with Redux, and many more.

More Challenges

- Live Search Filtering
- Add to Cart
- Pagination
- Redux Toolkit State Management
